

Sponsorship / Exhibitor Information

The Carolina Loggers Association is looking forward to another successful annual meeting full of lots of great information. As with everything else, the cost of holding this meeting has increased significantly this year per person due to the food cost. In order to be successful in every aspect of our meeting it takes the help of our generous sponsors, members, and partners for the association to grow each year. All of our attendees are involved in some form within the logging industry, and therefore are potential customers for your business. Networking is key in today's business world, and what better place to network with others involved in your industry then by sponsoring your 2025 Annual Meeting! We have several different sponsorship packages available as well as individual sponsorship for one of our events. Any sponsorship level gets you a 6ft table for display inside and the meeting registration cost for 1 or more people. Your name/business name will appear in the meeting materials as well as posted throughout the event during the weekend. If you choose to sponsor one of the events, your information will be posted at that event, in the agenda package, and the registration cost for that number of people based on the level selected. Should you choose to purchase the package with the bags or hats your logo will be featured on those items. ***Please do not pass up this opportunity to reach out to your existing and potential customers and help make our 2025 meeting an event that benefits us all!***
